About Us

Mrs. Meenakshi Ventilators and Industrial Works, founded in 2019 in Karnataka, India, has established itself as a trusted name in the industrial sector. As a reputed partnership firm, we specialize in manufacturing a wide array of industrial lifts, air ventilators, and related equipment. Our products are designed to meet the diverse needs of industries, offering efficient and reliable solutions. In addition to manufacturing, we also provide comprehensive services such as maintenance, installation, and repair, ensuring that our clients receive end-to-end support. With a focus on quality, innovation, and customer satisfaction, our company has earned the trust of numerous clients across various industries. We strive to keep up with the latest advancements in technology to offer cutting-edge solutions that enhance productivity and safety. Our expert team is dedicated to providing exceptional service, making us a preferred choice for industrial ventilation and lift solutions in India.
